

MEDIA FACT SHEET

The 17-storey Ramada by Wyndham Singapore at Zhongshan Park, recipient for the fifth time the Best Mid-Range Hotel by travel professionals in Asia Pacific at the 25th, 26th, 28th, 29th and 30th Annual TTG Travel Awards (2014, 2015, 2017, 2018 and 2019).

Opened on 18 May 2013, the hotel offers 382 well-appointed guest rooms with contemporary elegance enhanced by distinctive décor and refined touches designed to cater to both business and leisure travellers. The hotel provides guests with home-away-from-home amenities and modern conveniences such as flat screen TVs with cable channel access, premium Serta beds, complimentary in-room WIFI access, and around-the-clock room service.

Situated within the central district of Novena, the hotel is a mere five minutes' complimentary shuttle bus ride away from the Velocity and United Square shopping malls and office towers, the Novena Medical hub and the newly-opened Mount Elizabeth hospital. The Orchard Road shopping belt and the Marina Bay Financial area are conveniently located just 10-15 minutes by taxi. Resorts World Sentosa, Universal Studios, and Changi international airport are also a half-hour taxi ride away.

With 540 square metres of meeting and banquet space, the Ramada by Wyndham Singapore at Zhongshan Park offers the perfect setting for corporate meetings, wedding banquets and private parties. The hotel's two function rooms are equipped with the flexibility to accommodate events requiring various set-ups. The pillar-less main ballroom can cater up to 300 guests in a theatre seating and 260 guests for a banquet. The Zhongshan meeting room, overlooking Zhongshan Park offers natural daylight and can accommodate up to 150 guests in a theatre seating or be split into two separate meeting and function rooms. A beautifully landscaped event lawn provides a picturesque backdrop for cocktail events. The event facilities are complemented by a dedicated banquet and conference team to ensure that all guests' requirements are seen to.

Bringing a Truly Singaporean experience to all customers through our food and hospitality, the hotel's restaurant, New Ubin Zhongshan Park, features a confluence of hearty Tze char with the freshest produce in a relaxing environment. Originated from Pulau Ubin, New Ubin Seafood has retained its rustic roots and 'kampong' essence through the years, while constantly discovering innovative dishes to suit the local taste buds. Expect signature dishes like USDA Black Angus "Choice" Rib Eye with Heart Attack Fried Rice, Live Seafood such as Mud Crabs, Tiger Prawns and Fishes prepared to your preferred cooking method, amidst other new creations that will only be available at the New Ubin Zhongshan Park. The Heritage Bar & Lounge located at the hotel lobby offers a wide variety of drinks, perfect for unwinding after a long day.

The hotel also offers a 30-meter swimming pool, a 24-hour gymnasium and a business centre. For the convenience of hotel guests, the property adjoins a two-level retail mall consisting of eateries, shops and a supermarket.
